

SELFRIDGE COMMUNITY COUNCIL

Mark Zuccaro

Mark Zuccaro is the Past President of Selfridge Base Community Council. Mark has always had ties to the local community. Macomb County is where he chose to raise his family and follow in his father's footsteps of owning and operating the family's business, Zuccaro Banquets and Catering. The Zuccaro family has been in business in the area for nearly fifty years now.

Throughout the years, Mark did more than just a run a business in Macomb County. He has dedicated much of his life to giving back to the community. He is involved in various organizations that emphasize service to others such as the Rotary Club. In fact, he even served as President of the Mt. Clemens Rotary Club, whose mission is to provide humanitarian service to those in need.

Additionally, he has served on the Board of Directors of the Chippewa Valley Education Foundation, and he is a member of multiple local Chambers of Commerce to promote the economic welfare of the community.

The Selfridge Base Community Council's mission of building the relationship between Macomb County civilians and the Base was something that he believed to be extremely important, and it is the very reason he has been an active member of the Base Community Council for over twenty years.

The Selfridge Base Community Council is comprised of Macomb County's select business and municipal leaders, all working together to benefit and support the brave men and women as well as their families, who serve this great country day in and day out. The Council provides financial assistance for scholarships, educational programs for the Base's servicemen and families. The Council is also the largest voice for economic decisions that affect the Base and their families, working with elected officials to continue to operate the base to defend the nation and preserve the estimated \$850 million economic impact on the local economy.
