

SELFRIDGE COMMUNITY COUNCIL

Fred Sherrerd

Fred Sherrerd is the Selfridge Base Community Council Vice President. In addition to sitting on multiple council committees, he also serves as the Non-Federal Entity Liaison for the Open House / Air Show committee.

In the community, he is the Vice President of Operations for Xpert Technologies, a managed technical services and telecommunications company. Fred received his Bachelor of Applied Technology with minor in Business from the Florida Institute of Technology.

A life-long servant to the community, Fred began public service while still in high school with the Carbon County (PA) Department of Civil Defense. While maintaining a full-time professional career, he has served as a sworn reserve law enforcement member of the Florida Department of Natural Resources, Marine Patrol along with leadership role in both the Hobe Sound Emergency Medical Services and training officer role Rio Fire Department, both in Florida. Fred has been married for 33 years and is an avid Great Lakes and offshore coastal boater.

The Selfridge Base Community Council is comprised of Macomb County's select business and municipal leaders, all working together to benefit and support the brave men and women as well as their families, who serve this great country day in and day out. The Council provides financial assistance for scholarships, educational programs for the Base's servicemen and families. The Council is also the largest voice for economic decisions that affect the Base and their families, working with elected officials to continue to operate the base to defend the nation and preserve the estimated \$850 million economic impact on the local economy.
